

Potential Tornado Impacts

Tropical Storm Nicole

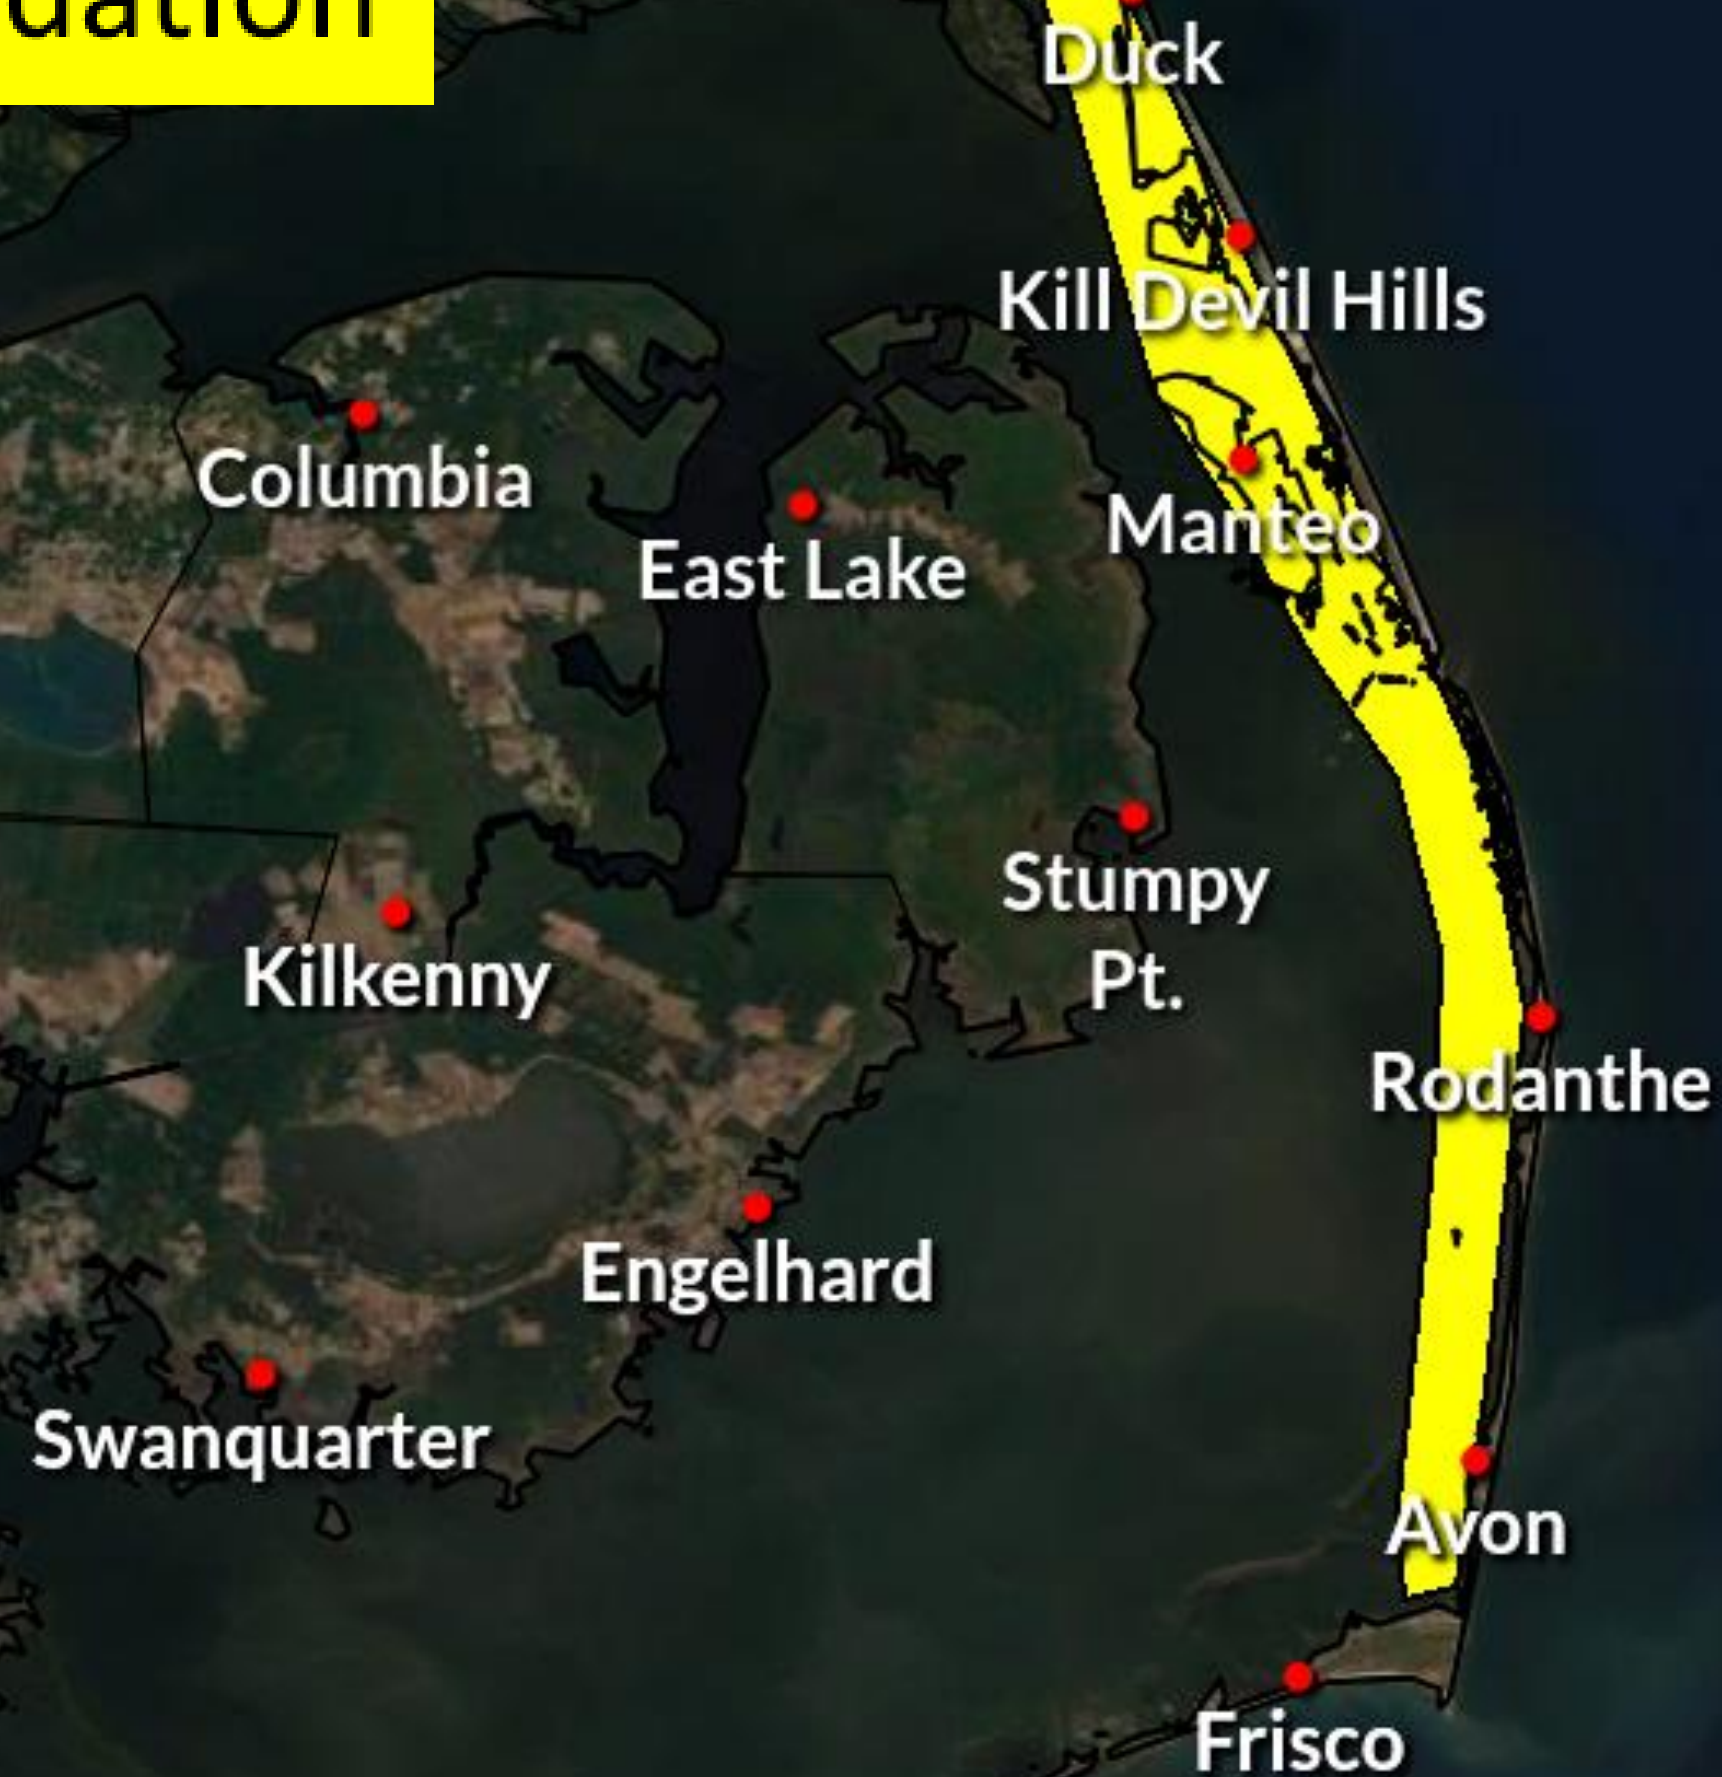

- A few tornadoes possible Friday into Friday Evening.
- Slight risk for damaging winds in any stronger storms.

Minor Coastal Flooding Late Friday to Early Saturday

Tropical Storm Nicole

1-2 ft Inundation

South winds increase through the day Friday and peak Friday night. Winds then turn southwest overnight Friday into early Saturday, leading to possible water level rises of 1 to 2 feet on the Soundside of the Outer Banks north of Buxton.
